Anaid Art Gallery – presents „T II” signed by Justin

Thursday, 23rd September 2010, at 07:30 p.m. will take place at **ANAID ART GALLERY** the opening of the exhibition „T II” signed by **Justin**, curator Diana Dochia. The audience interested in contemporary art will be able to visit the exhibition from **23rd September - 14th October 2010**.

The exhibition „T II” signed by Justin represents a „production of patterns for urban furniture cuttings” as asserts himself the architect Justin Baroncea.

„T II” represents a way of contextualization and reintegration of some architectural structures both in their bi-dimensional form through painting, and in three-dimensional form through the object of urban furniture. In this context of creation and design of forms of urban furniture, the painting becomes a framework, a minimal and clearly defined pattern on the surface which is emerging the furniture form in black, gray and red. The roughness and the layering of paint on canvas reminds us of the plaster wall.

„T II” is an exhibition about the forms of urban furniture that can be constructed, reconstructed and deconstructed both physically and mentally.

„T II” is a natural course of thought and interpretation of some types of furniture in the city and why not even in the space of a conventional white cube gallery.

Anaid Art Gallery invites you to make an incursion in the contemporary art from **Monday until Friday: 11 a.m. – 07 p.m. and Saturday: 10 a.m. - 06 p.m.**
